About The Deck Store	27

ECO-SUSTAINABLE LEEDS PROGRAM PRODUCTS OPTIONS

These days, Commercial building is not only about what suits your needs and looks good, but also about finding the most environmentally friendly option as well. Our line of GREEN, Eco-Friendly products is second to none, and also supports LEEDS credits.

Our Eco-Sustainable, Environmentally Friendly, LEEDS supporting products include Wolf, TimberTech, Azek, Trex, Fiberon, Gossen, Endeck and more. In wood, we offer Pressure Treated, Micro Pro Sienna Brown Treated, knotty and clear cedar, Ipe, Tiger Deck and Garapa.

The Deck Store also offers Adjustable Patio Covers, Retractable Awnings, Privacy Screens, Bison (Ipe) Rooftop Tiles, Patio Furniture, Exterior Cladding, Synthetic Stone, Artificial Grasses, Aluminum, Composite, Vinyl Railings as well as topless glass screens, Deckorators Balusters, Outdoor LED Lighting, Rubarock and Flexstone surfacing.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Decking made from cellular PVC is an excellent choice as it is essentially resistant to stains, mold, fading, and scratches. Available in over (100) styles and colors.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

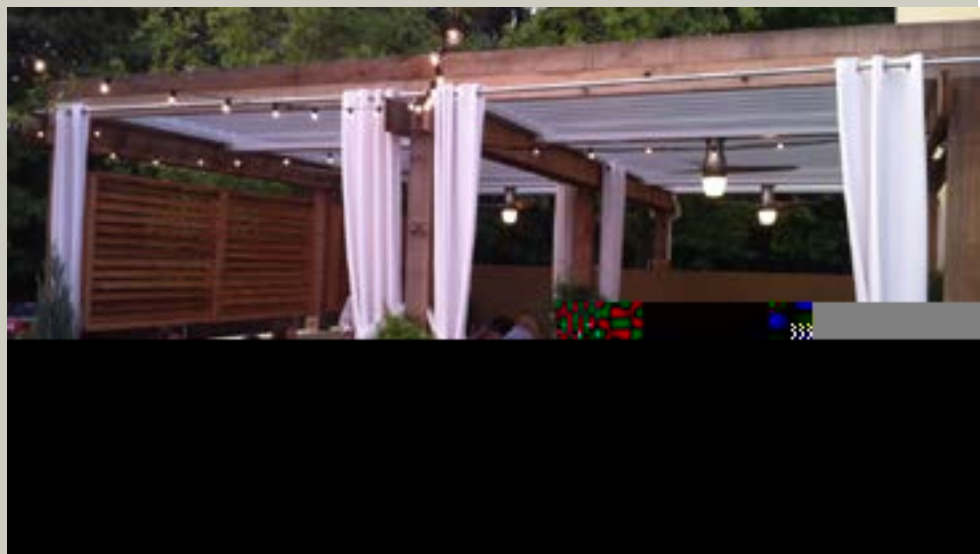

If your commercial space is in need of privacy, we carry everything from fabric screening to PVC, wood, composite, aluminum, metal, glass and permanent hardscapes, giving your project an abundance of options.

PRIVACY SCREENS

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

If you own a business with a patio, you know usage is based on seasonality. Your time to enjoy the outdoors is limited, so don't let things like rain or extreme heat get in your way.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Protect yourself while simultaneously providing comfortable space for clients and employees alike with an adjustable or retractable awning for existing structures, pergolas, sunrooms and free standing enormous double awning structures.

RETRACTABLE AWNING COLLECTION

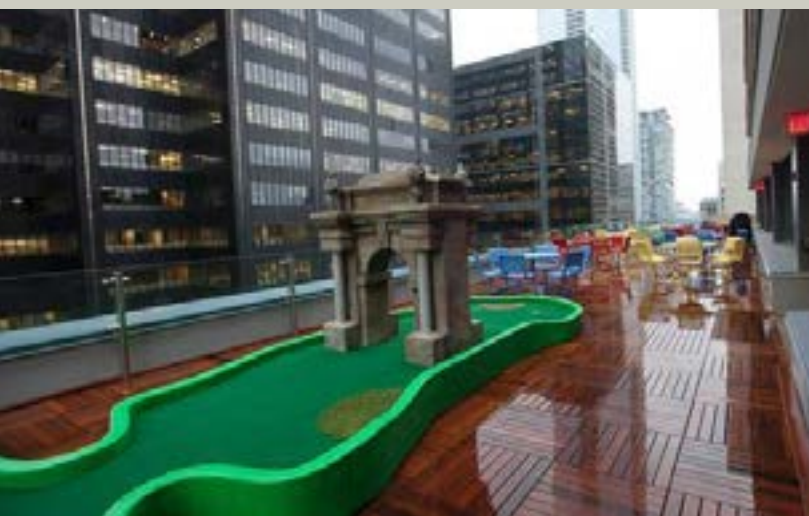

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

AZEK Pavers are made from 95% recycled materials, the first recycled material in the world with the physical strength, durability and natural appearance to replace concrete, weigh one-third the weight of traditional concrete pavers – Great for rooftop terraces.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Since 1995, Bison is the trusted name for supplying deck pedestals and wood tiles for pedestal supported decks and rooftops.

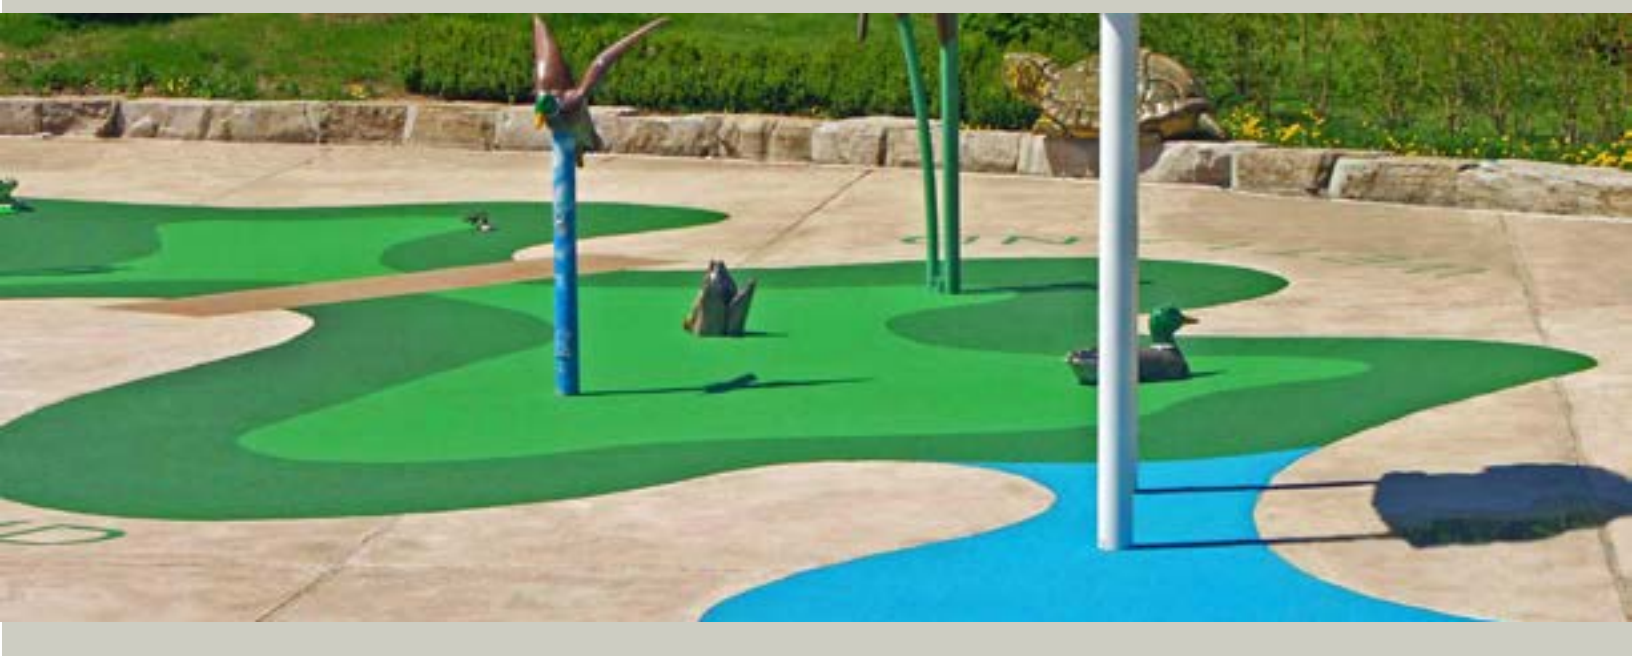

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Resysta impresses with its unique properties not only with its longevity but also in feel, look and the diversity of potential applications for facade design.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Safety surfacing with Rubaroc combines high tech polymer resins with rubber to create a resilient, non-skid surface that is virtually indestructible.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Diamond Essence can be used on any solid, even surface: courtyards, balconies, patios, porches, roof tops, hot tub surrounds, pool surrounds, garden paths, anywhere you would like a beautiful wood deck or floor.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

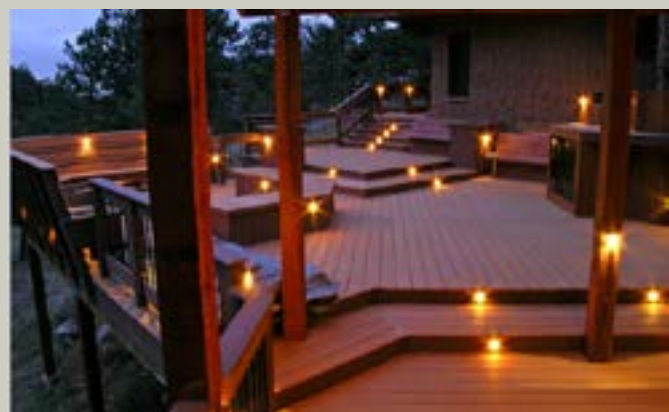

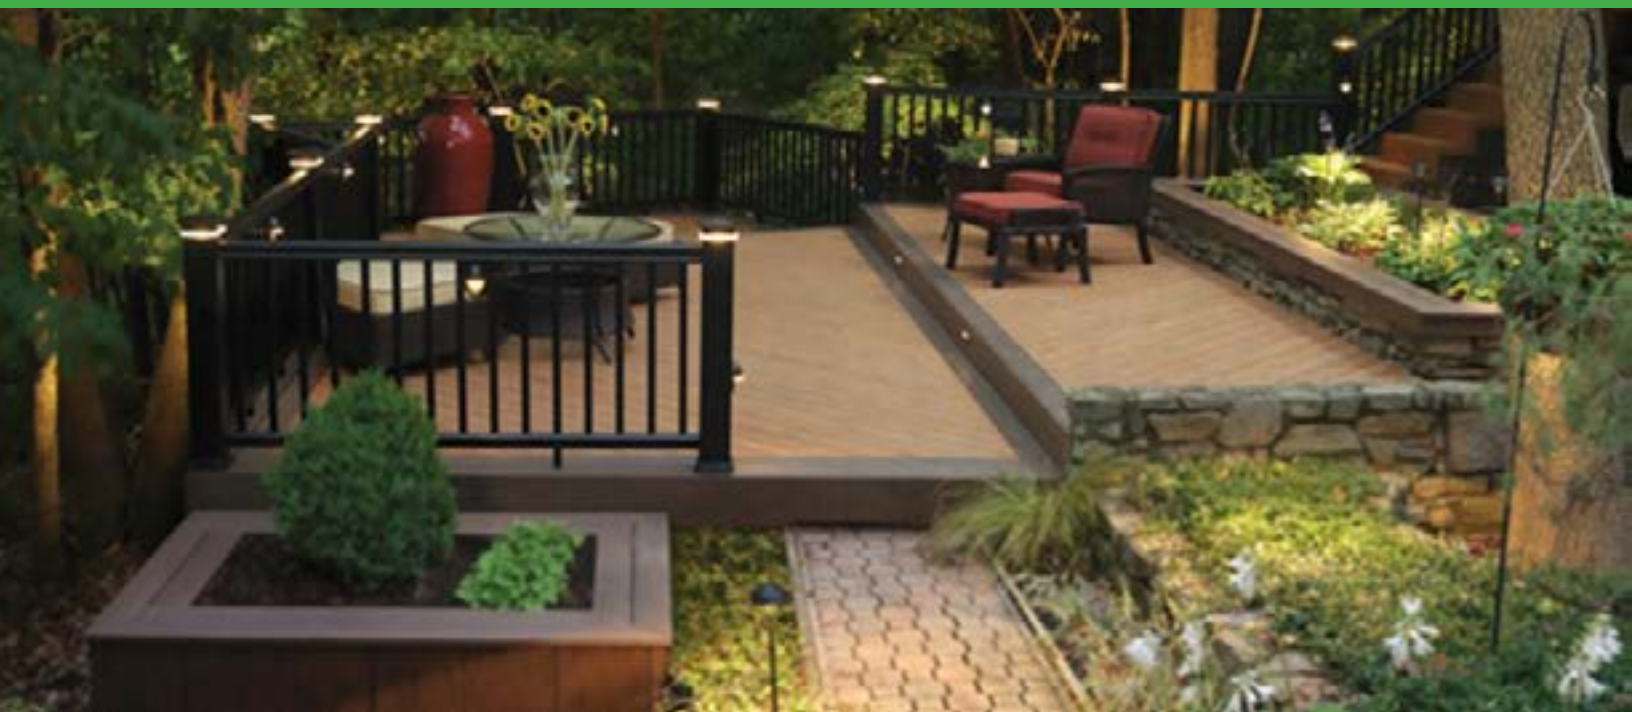

The creative ways to use artificial grasses continues to grow by the day, and so do the options available. Whether you're looking to create accent areas for patios or balconies, outfit a sports field or provide recreational space, our team can work with you to achieve your goals.

ARTIFICIAL GRASS

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

If building materials make your space, then the proper lighting is the key to setting its tone. Our team of experienced lighting experts can help you to design and install your lighting options, ensuring the proper ambiance is achieved each time.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Fusion Stone provides innovative thin-stone Systems that are easily installed on both new and existing wall assemblies.

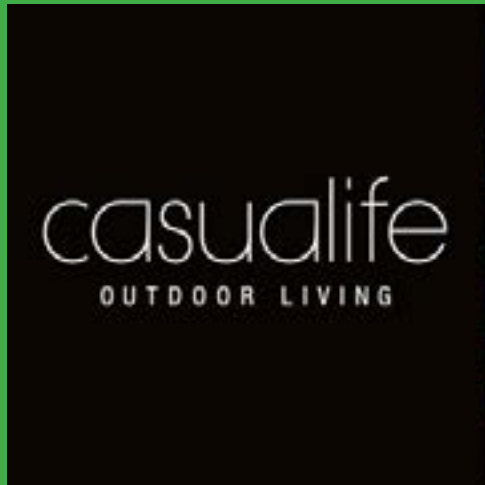

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Flexstone Coating Systems are urethane coatings used for permanent residential, commercial and industrial waterproofing. Used in sundecks, exterior walkways, garage floors, vehicular parkades and boat decks.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

Casualife has been one of the world's leading manufacturers of outdoor furniture with over 300 hotels, resorts and better homes worldwide utilising Casualife products

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

There are numerous high quality railing systems available that incorporate spindles, wood, glass, aluminum, vinyl and other premium materials.

ECO-SUSTAINABLE, LEEDS PROGRAM PRODUCTS OPTIONS

We have all the tools to turn your rooftop Terrace from a bore to the talk of the town combining exotic hardwoods, composites, PVC, synthetic pavers or even artificial grasses and landscapes.

INDUSTRIES WE SERVE

We design and install a variety of commercial projects, from condo development and rooftop terraces, to hotels, resorts and retirement homes, and even sports fields, golf courses and conservation parks.

Our areas of expertise and outdoor solutions include:

Condo Developers

Looking for ways to maximum design and creativity while minimizing cost and environmental impact? We can work with your LA and design teams to supply & install their creative vision.

Corporate Spaces

Your Corporate HQ should be the reflection of everything your company stands for: beauty, integrity, professionalism and creativity. Let us set the tone for your corporate space with a design that will leave clients and employees alike breathless.

Hotels

The key to any good Hotel experience is atmosphere. You want to create a space of high-quality design and functionality, establishing a relaxed and comfortable environment that stands out for your clientele. We can help take you from concept to reality.

Our areas of expertise and outdoor solutions include:

Resorts

The ambiance of tranquility and air of luxury are both key to any resort experience. Why use multiple contracting companies to achieve this result, when you can get everything you need under one roof?

Retirement Homes

Comfort and trust are the two main factors to consider when a loved one enters a retirement community. You know your guests can trust you, why not leave the task of providing comfort to the industry leaders?

Public Spaces

Dealing with government contractors can take forever, and the workmanship often varies from adequate to lacking. Let us take the hassle of public space construction away, utilizing a team of professionals and environmentally friendly products.

Our areas of expertise and outdoor solutions include:

Sports Fields

Traditional track and field materials can be expensive to install and maintain, and often use materials that are harmful to the environment. Our extensive line of synthetic outdoor products are ideal for any sports setting, and are often manufactured and installed using green practices.

Golf Courses

Well-maintained greens and professional landscaping are what creates memorable golf courses. The Deck Store can provide you the tools to accomplish both, all while using No-Low maintenance materials that will save you money while maintaining your course's original condition.

Urban Squares

Shoppers and pedestrians are always looking for an experience that is convenient, and allows them to take a load off and enjoy their surroundings. Let us help you accomplish an ideal urban experience that will make you stand out from the pack.

Our areas of expertise and outdoor solutions include:

Recreation Areas

Whether building a playground for children or constructing shared community spaces, recreational areas are some of the most fun to design...and use! Let our team of designers work with you to create a family-friendly area that can be enjoyed by kids and adults alike.

Conservation Areas

When you are visiting a botanical garden, walking path or fishing dock, the unity of man and nature is truly something to behold. We specialize in making that interaction memorable and flawless, with products that are both versatile and aesthetically pleasing.

Parks

If you're looking for artificial grass, pathway pavers or general landscaping on a grand scale, look no further than The Deck Store. With four locations to serve you and an army of qualified builders, we have the resources to tackle large projects head on.

Our areas of expertise and outdoor solutions include:

School Boards, Colleges, Universities

Are constantly exploring GREEN Eco-Sustainable product solutions for areas such as Parking Lots, Driveways, Walkways, Entryways, Patios, Rooftops.

Home/Community/Retail Builders & Developers

When you are visiting a botanical garden, walking path or fishing dock, the unity of man and nature is truly something to behold. We specialize in making that interaction memorable and flawless, with products that are both versatile and aesthetically pleasing.
