

Gas Grills

Premium Grills for the best results

The Platinum and Performance Grills, built from 304 Stainless Steel, meet every grilling requirement. NewAge Grills are engineered to fit seamlessly into our Outdoor Kitchen Cabinets.

Available sizes: 33 in., 36 in., 40 in.
Gas Assembly: Propane Gas, Natural Gas

Platinum Grill - Feature packed for precision grilling

Up to 850 sq. in. of cooking space aided by the dual layered hood locks in heat from the 3 H burners. Flame thrower direct-pilot ignition for instant lighting. The powerful infrared sear burner locks in the flavor with direct heat while the rotisserie burner offers flavorful indirect cooking.

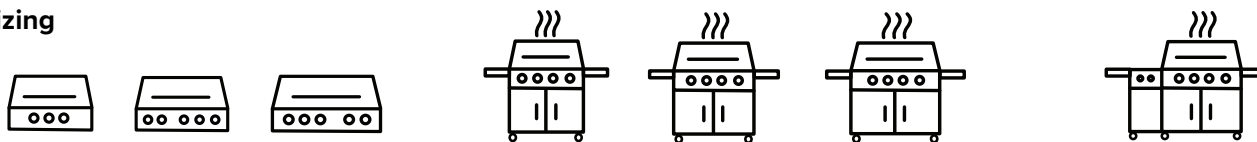

Performance Grill - Essential features for the grilling experience

Grilling. Simplified. Up to 634 sq. in. of cooking space. Continuous spark battery-powered pulse ignition gets things fired up quickly. Stainless steel flame tamers help reduce flare-ups, spread heat evenly across the cooking surface and convert drippings to flavor-enhancing smoke.

Increased mobility with Grill Carts

Four heavy-duty wheels (two lockable) lets you move your grill away from the entertaining area, keeping everyone comfortable, or get it up close to the action for convenient access to your tasty creations.

Grill Sizing

Grill Type	Grills			Grill with Carts			Grill with Side Burner Carts
Width	33 in.	36 in.	40 in.	33 in.	36 in.	40 in.	33 - 40 in.

Side Burners

Extend your grilling and prep space expanding your BBQ

Choose from the Platinum or Performance Side Burner to suit your cooking needs. The burners seamlessly integrate into our Classic and Signature Outdoor Kitchen Cabinets or any other Outdoor Kitchens.

Gas Assembly: *Propane Gas, Natural Gas*

Platinum Dual Side Burner

Two powerful 12,000 BTU burners providing quick and even heat across the 205 sq. in. of cooking area. The built-in Flame thrower ignition provides quick and effortless start-up, every time. Removable Grease Tray makes cleanup quick and easy.

Performance Side Burner

A powerful 12,000 BTU burner providing quick and even heat. Precision-control knobs make it easy to accurately adjust your heat settings. The built-in pilot igniter allows for a quick and effortless start-up, every time. Protect your burners, when not in use, with the fold-down flush-mount lid.

Increased mobility with Side Burner Carts

Four heavy-duty wheels (two lockable) lets you move your grill away from the entertaining area or get it up close to the action.
