

Pro Series Garage Cabinetry

The Gold Standard For
Premium Steel Cabinetry

For those who demand the best, our Pro Series Cabinets are engineered to give you top-of-the-line steel storage with sets ranging from large-storage organization to space-saving configurations.

Available in: *Gray, Red, Black and Platinum.*

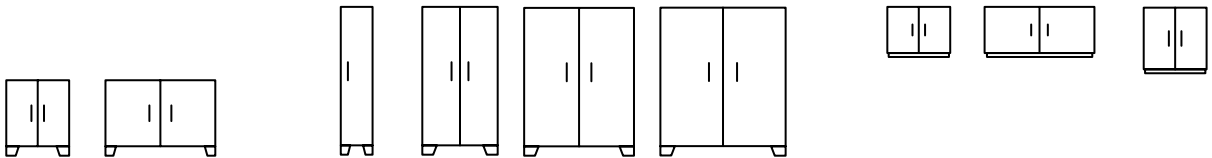

Engineered for Strength

Pro Series Cabinets are built with heavy-duty steel frames and double-walled doors that provide extra protection against harsh garage environments. Fully-lockable doors with soft-close hinges and extra-strong ball bearing drawer slides, ensures your tools and equipment are stored safely behind closed doors.

Customized to your Needs

Our modular system lets you choose from a variety of different cabinetry options: Lockers, Floor Cabinets, Wall Cabinets and Utility Cabinets - each built for their own organization need. Build a custom set from individual cabinets, or select from our best selling, pre-configured sets.
